**Everyone is welcome**

## What's an AlThing?

It's a chance to bring up stuff about next year or Abertridwr in general. Like an Annual General Meeting (AGM) for other clubs but more relaxed and less formal. It's an opportunity to talk together to find a common set of goals and plan how we can achieve them.

## Why call it an AlThing?

Because this was the term for such a meeting from the old Norse ways. Now used in Iceland to describe parliament. The Saxons had a similar meeting called a witan, The Irish may have had a similar meeting on Tara Hill once a year (sorry I don't know the term for it or even if it really existed).

## Who should attend?

Anyone who is interested in the future of the Shire, that is, all the individuals, house holds, Officers and Peers of Abertridwr.  
Who shouldn't attend? Anyone who doesn't consider themselves of the above.

## What will be talked about?

Agenda items have been called for. Here are some suggestions:

- Pencampwr X. How to make it better & where are we up to for 2014
- Events for 2014 - what do you want to see & state of Play on the Western Shores
- The Future
- Any good ideas on the day

## What should I bring?

- something cold to drink
- a potluck afternoon tea plate would be appreciated . . .Tea, coffee and milk will be supplied.
